

THE 2026 EDITION

Clear direction. Lasting impact.

A considered approach to what comes next.
Our priorities, our progress, and the possibilities ahead.

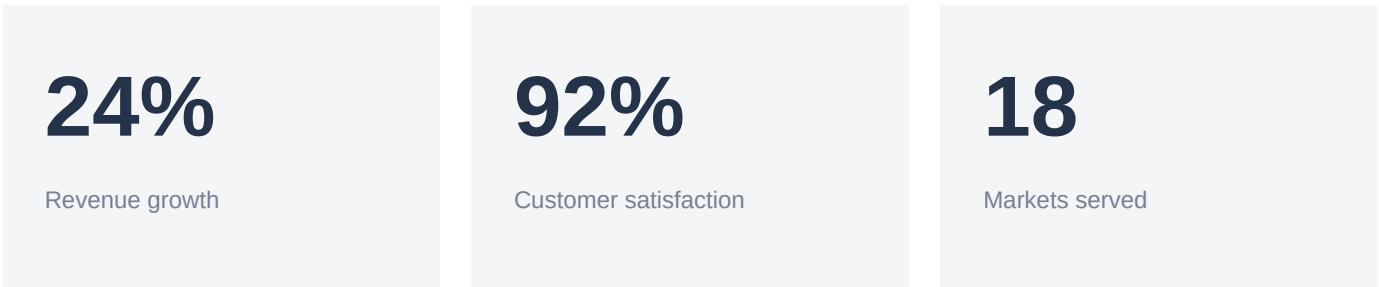

2026

ANNUAL STRATEGY BRIEF
Prepared for the leadership team

Progress with purpose.

EXECUTIVE SUMMARY

Strong foundations create room for bold decisions. This year, our focus is on doing fewer things exceptionally well: serving our customers, investing in our people, and building a business that is ready for the future.

A year of steady momentum

Illustrative performance index

All figures are fictional and shown for demonstration.

Three priorities. One direction.

Our next chapter is defined by focused investment, measurable outcomes, and a shared commitment to making work better.

01

Put customers first.

Listen closely. Deliver consistently.

- Expand customer research across every market.
 - Make product journeys simpler and more useful.
 - Measure success through long-term relationships.
-

02

Build for what is next.

Turn ambition into durable capability.

- Invest in resilient systems and shared platforms.
 - Create space for experimentation and learning.
 - Bring the best ideas into everyday operations.
-

03

Grow together.

Make progress a team sport.

- Develop leaders at every level of the organization.
- Make knowledge easier to share and discover.
- Connect individual growth with business impact.

From intention to action.
